

Airesun Penetrating Oil

Biodegradable Speciality Penetrating Oil

Description:

Non-toxic, 100% natural, biodegradable, all-purpose penetrating and lubricating oil.

Formulated from seed oils to provide users with a petroleum-free and solvent-free product with no sacrifice in performance compared to other penetrating oil in the marketplace. This product is listed by the [NSF](#) as acceptable for use as a release agent (3H).

Instructions for use:

Apply as any other penetrating oil, no special application methods required.

This product may not be effective with certain rubber compounds, polypropylene, polyvinyl, Tyron, Plexiglas and similar materials. For these applications, try on a small hidden area before using.

Applications:

Household, automotive, industrial and marine uses for seized parts or stop and prevent squeaks. Approved for use in food preparation facilities and meets food-grade lubricant standards.

Airesun Penetrating Oil has the following characteristics:

- Easy to use, biodegradable, free of sulphur and aromatics and is non-toxic, requiring no special application or handling practices.
- Contains no petroleum or CFC's and is therefore Ozone-friendly and safer to handle.
- Non-irritating to skin.
- 100% Biodegradability means no damage to the environment from accidental release into soil or water.
- Flash point is over 130°C and is not restricted for transport or storage.
- Provides a quick release of seized parts.
- Stops squeaks instantly.

Physical properties:

Colour	Pale yellow
Viscosity	38 ISO VG
Density at 20°C	0,87 + 5%
Temperature range	-10 - 120 °C
